SUBJECT.

Proposal to ~~the~~ debit the cost of Traveller Bungalows to the D. F. and Provincial funds in proportion.

Memo

8 60

In his letter No 474 dated 14th November 1896, the President of the D. F. Board of Shimoga reported that owing to the transfer to the D. F. of the cost of repairs of all third class Travellers Bungalows, the charge devolving on the D. F. Boards for providing accommodation to the travelling public increased enormously during the past 3 years and that with limited means at their disposal, sufficient funds could not be provided for the maintenance of both the Mesa fishchanas and III class Travellers Bungalows, which would deteriorate unless the present arrangement, by which the cost of all III Class Bungalows is debited to the District Funds, should be altered. He

He accordingly proposed that, as out of 15 third class Bungalows in this District, 9 were on Provincial roads and 6 on District Fund roads, relief might be afforded to D. F. by debiting the cost of Bungalows on the D. F. roads only to the Local Fund Board, that of the remaining ones being charged to the Provincial funds.

(2) With reference to this, the Presidents of the D. F. Boards as well as the Chief Engineer were requested to submit 2 statements, shewing the names of 1st, 2nd and 3rd class Bungalows situated on Provincial and District Fund roads with cost of establishments maintained in them

them, in view to ascertain the financial effect upon the D. F, if they should be debited with the cost of all Bungalows (whether 1st, 2nd or 3rd class) situated on D. F. roads, Provincial roads being charged with the cost of such Bungalows situated on Provincial roads.

3) From the detailed statements received from the Districts, an abstract statement of Bungalows in the State is prepared in this office, from which it would appear that the cost to the D. F. would be (if less by Rs 291 per annum if the D. F. Boards are debited with only the cost of such of the

From

General and Revenue Departments
Bangalore

Sir,

In reply to your reminder No: 7214 C.S. 313-96 dated 21st instant, requesting early transmission of Statements showing names of Travellers' Bungalows situated on Provincial and District Fund roads with details of establishment maintained at each; I have the honor to inform you that the delay in complying with your requisition is due to the Statement from Western Circle not having yet come in. The Superintending Engineer reported in his No: 2982 dated 14th December 1897 that the Statement cannot be sent in, as the list from Mysore Division has not been received, the delay being due to the Deputy Commissioner not having furnished the required information as regards Establishment

to

To The Executive Engineer. The Deputy Commissioner has been asked in this office No: 660 dated 18th instant to expedite disposal of the Executive Engineer's references to him.

II. Travellers Bungalows and the Establishment for same are under Deputy Commissioners, who are therefore in a better position to meet requisitions of this kind, than E. W. officers who have to obtain them from the Revenue Department. I would suggest that delay and circumlocution would be obviated if such requisitions were sent in future direct to Deputy Commissioners.

I have the honor to be,

SIR,

As called for in your official memorandum No. 10552-9 of the 1st March 1898, L.F. 313-96 I have the honor to submit herewith two statements showing the names of the 1st, 2nd and 3rd class travellers bungalows situated on Provincial and District Fund roads with details of establishments maintained at each. It will be seen that there are 3 first class, 16 second class and 17 third class bungalows in the District. All the 1st and 2nd class bungalows with the exception of the two 2nd class ones noted in the margin and 9 out of 17 third class bungalows are situated on Provincial roads. I request that Government may be pleased to relieve the District Fund Board of the charge of maintaining the 3rd class bungalows situated on the Provincial roads, considering

No. 6478-86—L. F. 313-96, DATED BANGALORE, 23RD NOVEMBER 1898.

ORDER THEREON.—The Deputy Commissioner of Shimoga considered that, owing to the transfer in 1894 to the District Funds, of the cost of repairs of all 3rd class travellers' bungalows, the charge devolving on the District Fund Boards for providing accommodation to the travelling public increased enormously during the past three years; and proposed that relief might be afforded to the District Funds by debiting the cost of 3rd class bungalows on Provincial roads to Provincial Funds. In view to enable the Government to pass final orders on the question, the Presidents of the District Fund Boards as well as the Chief Engineer were requested to submit two statements showing the names of the travellers' bungalows of all three classes situated on Provincial and District Fund roads, with the cost of establishments maintained therein. From the replies received, it has been made out that if the District Fund Boards are debited with the cost only of such of the 3rd class bungalows as are situated on District Fund roads the cost to the District Funds would be lessened by Rs. 291 only, and that, on the other hand, if they are charged with the cost of all bungalows (irrespective of class) situate on District Fund roads, there would be an increased cost of Rs. 67 to the District Funds.

2. It is observed that the Local Fund Boards now maintain all 3rd class bungalows, whether they are situated on Provincial or District Fund roads, the 1st and 2nd class bungalows being likewise maintained from Provincial Funds. It does not seem possible to relieve District Fund Boards altogether of the cost of travellers' bungalows. Either they must maintain bungalows of all three classes situate on District Fund roads or the present arrangement should remain undisturbed. The former would not be to their advantage, as has been shown in the preceding para, and the Government accordingly direct that the present arrangement embodied in Proceedings No. 15602-11 L.
